

Surgery Authorization Form

FILE # _____

Owner's Name _____ Animal's Name: _____ Date: _____

I, the undersigned, do hereby certify that I am the owner or duly authorized agent for the owner of the animal described above and have the authority to execute this consent. I hereby authorize the performance of professionally accepted general anesthetic procedure necessary for treatment. I understand that support personnel will be used as deemed necessary by the Veterinarian. I have been advised as to the nature of the procedures and the risks involved in performing general anesthesia to the above animal. I realize results cannot be guaranteed. I have read and understand this authorization and consent. I further understand that I assume financial responsibility for all services rendered. _____ Initial

Standard Procedures

I authorize the staff of **Clearfield Veterinary Clinic** to perform the following procedure(s) :

SPAY OR NEUTER	FRONT DECLAW (cats only)	DENTAL CLEANING
TUMOR REMOVAL	HISTOPATHOLOGY YES/NO	OTHER(WRITE IN) _____

PRE-ANESTHETIC BLOOD PROFILE

Running a pre-anesthetic blood profile will help us rule out problems that may compromise your pet's safety while under anesthesia, a basic profile that can detect liver, kidney and diabetic problems. We recommend every animal be tested prior to the use of anesthesia.

Basic Profile \$45.00	Heartworm Test \$25.00	FELV/FIV Test \$ 40.00	DECLINE BLOOD PROFILE
------------------------------	-------------------------------	-------------------------------	------------------------------

TOOTH EXTRACTION

Severe health problems can result from tooth infections. Often the only treatment for infected teeth is extracting them. If you allow it, the attending Veterinarian will attempt to identify and pull those teeth that cannot otherwise be saved.

Baby Teeth \$7.00	Extract Teeth as Needed	Please don't extract any teeth
--------------------------	--------------------------------	---------------------------------------

PAIN MEDICATION

Pain medication can be sent home after any surgical procedure. This medicine is simple to give, and may help ease your pet's recovery and shorten healing time (**note: pain medicine is required for declaws, bone surgeries and other major procedures**).

3 DAY CANINE \$16.00-\$20.00	3 DAY FELINE \$ 13.00
7 DAY CANINE \$ 26.00- \$30.00	7 DAY FELINE \$ 26.00

MICROCHIP

A microchip serves to positively identify your pet. Unlike collars and tags, a microchip cannot be lost or stolen.

AVID MICROCHIP \$42.00	AVID ISO MICROCHIP \$45.00	Decline microchip
-------------------------------	-----------------------------------	--------------------------

VACCINATIONS

RABIES VACCINATIONS ARE REQUIRED BY LAW. In order for our staff to handle your pet, we require that your pet be vaccinated for Rabies. Even though our staff is well trained, we occasionally get bitten. If you would like any of your pets vaccination brought up to date please circle those that apply.

DHBPPVL \$ 49.00	FDRCL FL \$46.00	RABIES ONLY \$25.00
DHBPPVL + RABIES \$59.00	FDCRC FL RABIES \$56.00	DECLINE VACCINATIONS

CONTACT INFORMATION

In case of an emergency please list any phone numbers that you or a authorized person can be reached within a **5 min** time frame between **9 AM – 1 PM.**
